

Senior Scramble Manual

By Justin Mateo
Team Name: N/A

Overview

Senior Scramble is a 2D fast paced endless runner where the player is a procrastinating student that will have to jump over and duck under various obstacles in order to survive for as long as possible. The game will increase in speed, which increases its difficulty until the player can no longer keep up and lose all of their lives, ending the run.

How to Play

Controls

Jump - Left Mouse Button or Up Arrow

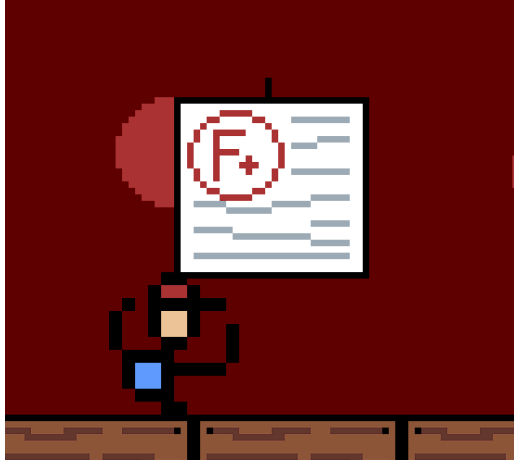

Duck - Right Mouse Button or Down Arrow

Pause - ESC, or by clicking the pause icon. Click resume to resume.

Example Gameplay:

If you see textbooks on the ground, jump!

If you see a page hanging on the wall, duck!

Winning and Losing

A player starts with 3 lives. Each time the player hits an obstacle they lose a life. Once all lives are lost the player loses the game. There is no explicit way to win, however you can aim to get higher scores.
